

Evaluation and School Development Plan Summary  
2024-2025

As a School we review our provision regularly to ensure the best education for every pupil. During this process we recognise our priorities for improvement.

## CURRICULUM

- Our Curriculum is full of varied and enriched experiences.
- We make the most of our local area as we plan our Curriculum.
- Our Curriculum ensures that every learner reaches their potential.

## WELLBEING, FAIRNESS and INCLUSIVITY

- We support our learners in various ways.
- We have systems in place to support any additional learning needs.
- Outdoor learning is very important in our School.

## LEADERSHIP

- We have high expectations across the School.
- Continuous evaluation is an essential part of our work.
- We have a clear vision.

## TEACHING AND LEARNING

- We have assessment strategies throughout the School.
- We celebrate each others' success and respect each other.
- Our homely environment encourages enterprising and ambitious learners.

- Use the oracy skills in the learners written work.

Enjoy Learning and Achieving Together

## Develop Learner's Digital Skills

- Coding opportunities

## Develop Entrepreneurship

- Business Project Opportunities

# Improvement Priorities 20024 - 2025

## REVIEW AND REFINE OUR CURRICULUM

- Ensure that our curriculum is purposeful and makes the most of the opportunities our local area offers us so that we can enrich our curriculum.

## OFFER INCLUSIVE SUPPORT FOR OUR LEARNERS WITH ADDITIONAL LEARNING NEEDS

- Ensure we work together to offer valuable and purposeful support for our learners.
- Work together, with our learners and their families to ensure that learners reach their full potential.

## INTEGRATE ASSESSMENT AND PROGRESSION PLANS TO EFFECTIVELY TRACK LEARNERS' PROGRESSION

- Ensure our assessment and tracking systems are effective throughout the School.

WE WILL WORK WITH THE CLUSTER, GWE AND THE AUTHORITY TO GAIN SUPPORT TO ACHIEVE THESE PRIORITIES
